Commissioner for Patents

The petition to withdraw restriction requirement filed October 25, 2007 is being treated as a request for reconsideration. A review of the file finds that the examiner erred in setting forth the restriction requirement mailed 2/27/07 and in failing to address all of applicant's concerns in the election filed 4/19/07. Accordingly, the non-final Office action mailed 8/24/07 is defective. The restriction requirement is hereby withdrawn and the non-final Office action mailed 8/24/07 is hereby vacated. A new, corrected Office action treating all pending claims filed 11/16/07 is forthcoming. No further response by applicant is required at this time.
